This AHERA Management Plan was developed and submitted per the Asbestos Hazard Emergency Response Act of 1986 (Public Law 99-519) and the Asbestos Containing Materials in Schools rule, (40 CFR Part 763). The original Management Plan was completed in 1988/1989 and revised and updated in 2010/2011.

ASBESTOS HAZARD EMERGENCY RESPONSE ACT (AHERA) MANAGEMENT PLAN DESIGNATED PERSON ASSURANCES

The undersigned Designated Person does hereby certify that the LEA has and will ensure the following:

1. For persons who perform inspections, change or develop Management Plans, or carry out response actions (except for operations and maintenance) the LEA has used or will use persons who have been accredited by the state's accreditation program, or accredited under another state's accreditation program or an EPA-approved course.
2. All Custodial and maintenance employees are properly trained as required by applicable Federal and/or State regulations.
3. All workers and building occupants, or their legal guardians, are notified at least once per year of the presence of asbestos, upcoming asbestos activities and the availability of the Management Plans.
4. All short-term workers who may come in contact with asbestos in a school building are provided information regarding the locations of known or assumed ACBM.
5. All warning labels are posted in accordance with Section 763.95.
6. All Management Plans are available for inspection to employees and the public.
7. Consideration has been given whether any conflict of interest may arise from the interrelationship among accredited personnel and whether that should influence the selection of personnel to perform activities under this AHERA Management Plan.
